# Week at the Creek

Week at the Creek Junior Golf Camps are open to boys and girls, ages 5-15, of any playing ability. These fun filled 5 day camps are designed to introduce new golfers to the game or enhance the skills of any junior golfer. Our juniors will leave the camp with a greater understanding of several different areas of the game, and have a strong golf foundation for the rest of their lives. We

cover areas such as set-up, full swing, putting, chipping, pitching, sand play, rules, and golf course etiquette.

Contests are held throughout the week and prizes/awards are presented at our BBQ Cookout on Friday. Contests are designed to build team skills and encourage greater sportsmanship among the campers. Each Junior will receive a goodie bag filled with some of the golfing tools they need to get started. Golf clubs will be provided for those juniors without them.
