**8:30 AM Shotgun Start**

## Thank You to our Host

Chisel Creek Golf Club was built in 1999, on some of Southern Chester County's most scenic farmlands. Chisel Creek is located in Landenberg, Pennsylvania, just minutes away from Delaware and Maryland. Opening for public play in 2000 and offering 18 holes of championship golf, a full practice range and putting/chipping green.

There is something for everyone and is perfect for golfers looking for a championship public golf course.

Many of the lands natural features and contours were incorporated into the design, enabling architect Bill J. Hirsch, Jr. and construction superintendent, Luke Dye, to layout a course that plays a lot more challenging than the scorecard appears.

# The 2<sup>nd</sup> Annual Moose on the Loose Golf Tournament

Each year The Leukemia & Lymphoma Society (LLS) launches its Man & Woman of the Year fundraising campaign. We are honored again to host this tournament as part of the leadership team for this fundraising campaign, and to help wipe out blood cancers.

Since its inception in 1949, LLS has invested more than \$1 billion in research to find the cause and cure for blood cancers. There are many survivors today because of the tireless efforts of LLS to put all of their hard-raised funds into research and treatment and to help those living everyday with blood cancer.

Unfortunately, our Pop "Moose" and Pop O'Connor lost their battles with blood cancer. In their honor and memory, we created our team, Moose's Minions, to help LLS raise every dollar possible and **lead the way to find a cure and make someday today.**
